First of all, we do not agree to cut off attorneys' fees at the time the offer was made, as my client is entitled to recover all of her attorneys' fees and costs incurred in the case. If we are forced to litigate the fees, we will seek additional attorneys fees related to that as well. That being said the demand included approximately \$450 in costs, the rest being a (reduced) amount to cover her attorneys fees accrued to date.

Alex, please let me know the amount of costs plaintiff is claiming, and the lodestar calculation for your attorney fees (total number of hours and the hourly rate) at the time you received the offer Friday.

Thanks,
